Case No. 08-14631(GMB)  
The Class 10 Liquidation Trust  
Vs. South Jersey Processing, Inc.  
Adv. No. 10-01363(GMB)  
**Hearing Date: October 18, 2010**

Dear Judge Burns:

I represent the Defendant South Jersey Processing, Inc. in Adversary No.10-01363. Please accept this letter in limited opposition to the Motion for an Order Modifying Global Procedures. I reviewed this matter with my client and we do not object to the procedures and timeframes set forth in the Order. However, the Defendant respectfully requests that the place of mediation be within the Camden vicinage where the case was filed. Conducting the mediation in North Jersey or New York City will not be convenient to the Defendant who is located in Camden, New Jersey. The place of mediation is to be fixed by the mediator at a place which is "reasonably convenient for the parties." D.N.J. L.B.R. 9019-2(d)2. Both the debtor and Defendant are located in Camden and the mediation should occur at a location closer then that suggested in the Motion. Thank you.

Respectfully yours,  
  
Thomas J. Orr
